

GLIMPSE OF THE EVENT

Smt. R. D. Gardi B. Pharmacy College, Nyara, Rajkot observed "**World Tuberculosis Day**" on **March 24, 2022**. World Tuberculosis Day is observed annually on March 24 to raise awareness about the disease and to support efforts to eradicate the global epidemic, commemorating the discovery of the TB-causing bacteria in 1882. The programme began with a session led by our principal, Dr. Shital Faldu, on tuberculosis prevention and control, as well as the challenges that impede our progress towards eliminating this dreadful disease. Other events included a poster presentation and an oral talk to students about TB, one of the dangerous diseases.
